

# Your paper yes/no wheel

Print at 100%. Hold a paper clip at the center with a pencil tip, then gently flick the clip. Adult help is recommended for young children.

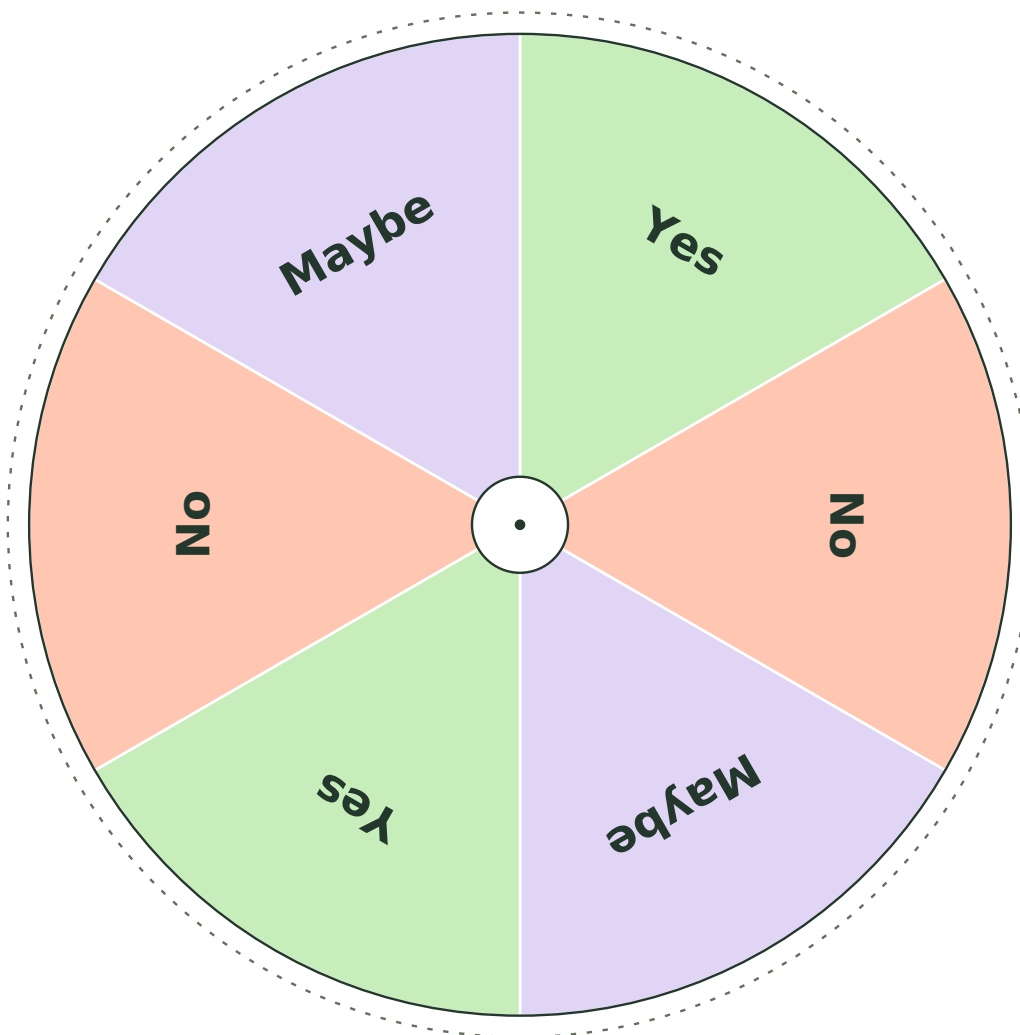

For play and small choices. A paper spinner is not a calibrated random-number generator.

**Try the online wheel**

# A little room for Maybe

Print at 100%. Hold a paper clip at the center with a pencil tip, then gently flick the clip. Adult help is recommended for young children.

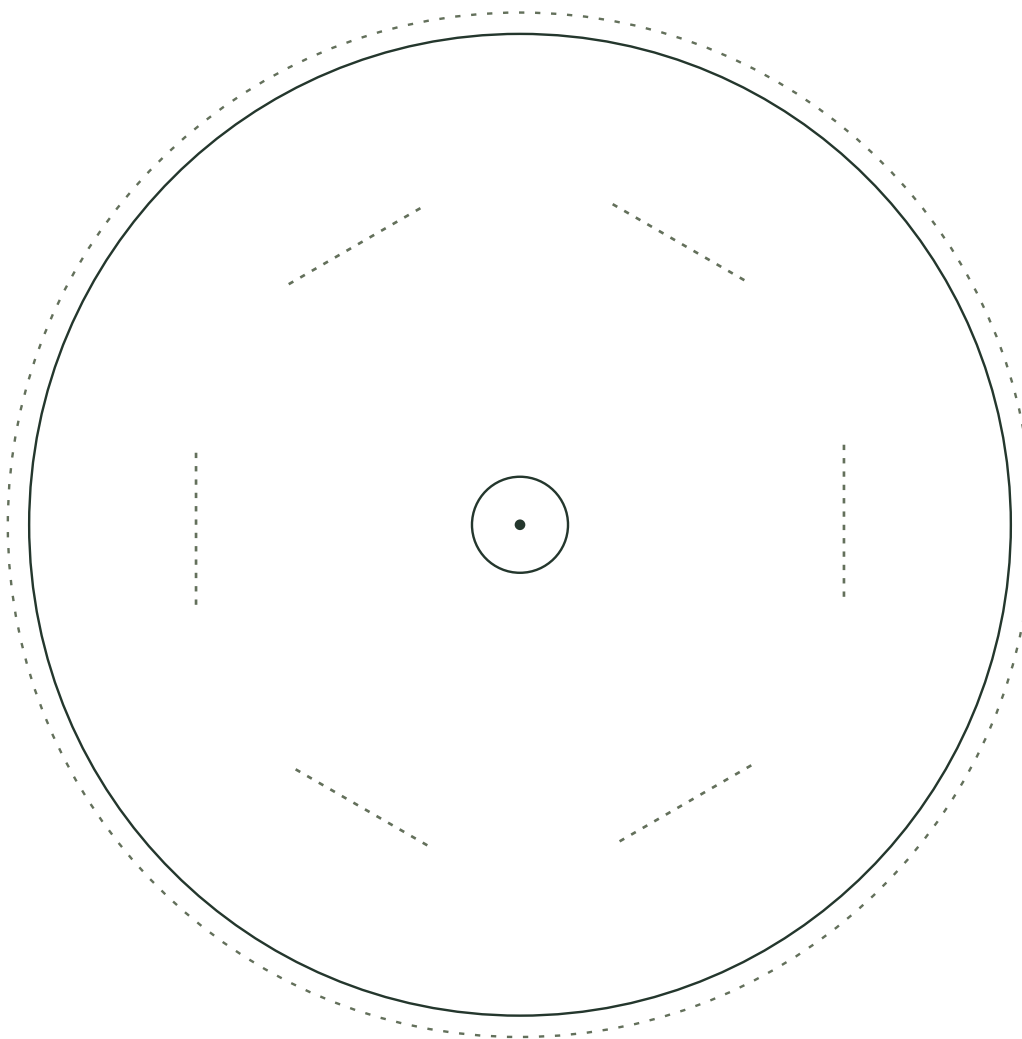

For play and small choices. A paper spinner is not a calibrated random-number generator.

**Try the online wheel**

# A wheel of your own

Write one choice in each segment. Try a game, an activity prompt, or a choice of snacks. Hold a paper clip at the center with a pencil tip and flick it.

For play and small choices. A paper spinner is not a calibrated random-number generator.
